Re: 2018 Mountain Valley Forest CORE Fund Application Form

Dear Sir or Madam:

In the grant application submitted by our organization for the Virginia Outdoors Foundation's 2018 Mountain Valley Forest CORE Fund grant round, our project budget included a total match amount of \$\_\_\_\_\_, of which \$\_\_\_\_\_ is to be obtained through grant funding that is not yet committed by any granting agency. We agree that, if this project is funded through the Forest CORE Fund, we will commit our organization's resources to complete the project within the thirty month time frame or as required by the Forest CORE Fund program.

Sincerely,

Organization Representative
